

REMARKS

Claims 1 and 3-7 are pending. Claims 1 and 3-5 are considered to be allowable.

Claims 6 and 7 are rejected as not being supported in the Specification. These claims are proposed to be cancelled.

Objections are raised to the drawings. These objections are directed to claims 6 and 7 which have been cancelled. This makes the objections moot.

The amendment should be entered since it places the application in condition for allowance.

Prompt and favorable action is requested by passage of the application to issue.
